

**Annual
Fundraising
Luncheon**

Thursday, April 11, 2019
11:30 a.m. - 1:30 p.m.
Ritz Charles, Carmel, Indiana

Dear Potential Greenways Foundation Luncheon Sponsor,

Thank you for your interest in the Greenways Foundation of Indiana. We are excited to celebrate another year of service to Indiana trail development groups and ask for your help in continuing our mission and service to all of Indiana.

Our mission is to provide leadership and advocacy in the growth and use of Indiana greenways and trails. We do this by catalyzing action and facilitating cooperation between government and private sector partners, providing technical assistance for community-based efforts and soliciting and distributing financial resources to support the development, enhancement and operation of all Indiana greenways and trails.

Our annual fundraiser to help us accomplish this mission is the Greenways Foundation Luncheon. This year's luncheon will be on April 11 from 11:30-1:30pm at the Ritz Charles in Carmel, IN. It brings trail supporters from across the state together to recognize our accomplishments as a foundation, but more importantly, to recognize trail groups from across the state who excelled at their work in the previous year. We will give awards for outstanding projects, advocacy, local government, corporation, volunteer and a legacy partner. Through these awards we celebrate statewide movement in trails.

I would like to ask you to consider being a sponsor for this year's luncheon. The funds raised help give us programming and operating funds for the year. This event has been very successful in the past and we would like you on the team.

A sponsor form is available on our website to send a donation check or you can also provide your sponsorship online through our Eventbrite page. Most sponsorship levels include a table for eight to attend. This event is a great way to give your employees a chance to have a great lunch and learn about our work. Thank you in advance for helping us celebrate trails in Indiana!

Creating Connections,

Meghan McClellan
